

**MINUTES FOR THE COURT OF APPEAL
STATE OF CALIFORNIA
SECOND APPELLATE DISTRICT**

April 17, 2006

DIVISION ONE

B176375 Holly Hunnewell (Not for Publication)
 v.
 J. Taylor Ganz

The judgment is reversed to the extent it finds or implies that Hunnewell can be employed gainfully as a teacher, that she is capable of earning at least \$40,000 per year as a teacher and that her medical conditions do not preclude her employment as a teacher, and to the extent it requires or can be construed to require Hunnewell to return to school and obtain her Master's degree and/or teaching credential. That portion of the judgment ordering Ganz to pay Hunnewell spousal support in the amount of \$9,500 until November 15, 2006 and that portion of the judgment requiring Hunnewell to bear the burden of proof on the issue of whether spousal support should be extended beyond November 15, 2006 also are reversed. Ganz is to pay Hunnewell spousal support in the amount of \$9,500 per month. These payments are to continue until the death of one of the parties, Hunnewell remarries or further order of the court. In all other respects, the judgment is affirmed. Hunnewell is awarded her costs on appeal.
